The Learning Project

Learning Project

- DEM resource person will guide you with the Learning Project. Templates available on the DEM website.
- Important that the Learning Project corresponds to the level/course expectations especially in relation to courses with MEQ exams:
 - Ensuring the plan covers all areas evaluated by the uniform exam
 - Taking MEQ exams earlier than expected
 - Delaying the exams to take more time to master the material

Send copy to homeschooling@lbpearson.ca if you have filled out one of the LBPSB online request forms and/or your child will be writing MEQ or Secondary 4 or 5 Board exams.

Quebec Secondary School Diploma

Graduation Requirements

The Quebec Secondary School Diploma is awarded when a student earns 54 credits by passing courses in secondary 4 & 5.

Certain courses are compulsory. At least 20 credits must come from passing secondary 5 level courses.

Compulsory credits in secondary 4:

Math
Science
History
Arts education

Compulsory credits in secondary 5:

English
French
PE or Culture & Citizenship in Quebec

Additional credits earned from passing other secondary 4 and 5 level courses.

Homeschool Compulsory Exams VS Credits toward Graduation

Many courses required for graduation involve a **MEQ** + **Board** component to the achieve the final mark and receive credits.

The DEM is not concerned with credits; only that uniform exams are written.

Students can achieve the required 54 credits to achieve a Quebec Secondary School Diploma through homeschooling; it simply requires a little extra planning!

Can I earn enough credits to graduate from Quebec?

YES!

- ☐ Language courses
- ☐ Take extra or more advanced courses
- ☐ Make an appointment with Andrea to discuss your situation!
