

## WARD 6 / CIRCONSCRIPTION 6

# Alaina GROSS CHARSZAN

As a proud parent of an LBPSB student and two alumnae, an active member of school governance since 2012, and your current parent commissioner representing the elementary sector, I am dedicated to safeguarding our English public education system.

With over 20 years as a clinical social worker in public health & social services, and 15 years as a family mediator, my strong evaluation and communication skills, along with my keen ability to listen and to collaborate with partners, are what make me the best choice to represent your voice on matters of English public education.

I promise to promote safe, equitable, and inclusive environments where everyone in our school community feels a sense of belonging and can thrive. I am equally passionate about promoting bilingualism and ensuring academic excellence within our English school system. More than ever, the attraction and retention of quality teachers and support staff is paramount; we must be committed to demonstrating the value we place on their personal and professional well-being.

Together, we can build a stronger educational landscape that prepares our future leaders for success. Vote for a vision that values belonging, excellence, equity, and the well-being of our entire school community. Vote for a commitment to defending minority language rights by fighting to protect our school board.

On November 3, VOTE ALAINA GROSS CHARSZAN for Commissioner.
